

SHELTER SERVICES

SIMPLIFIED, FAST and COST EFFECTIVE IMPLEMENTATION

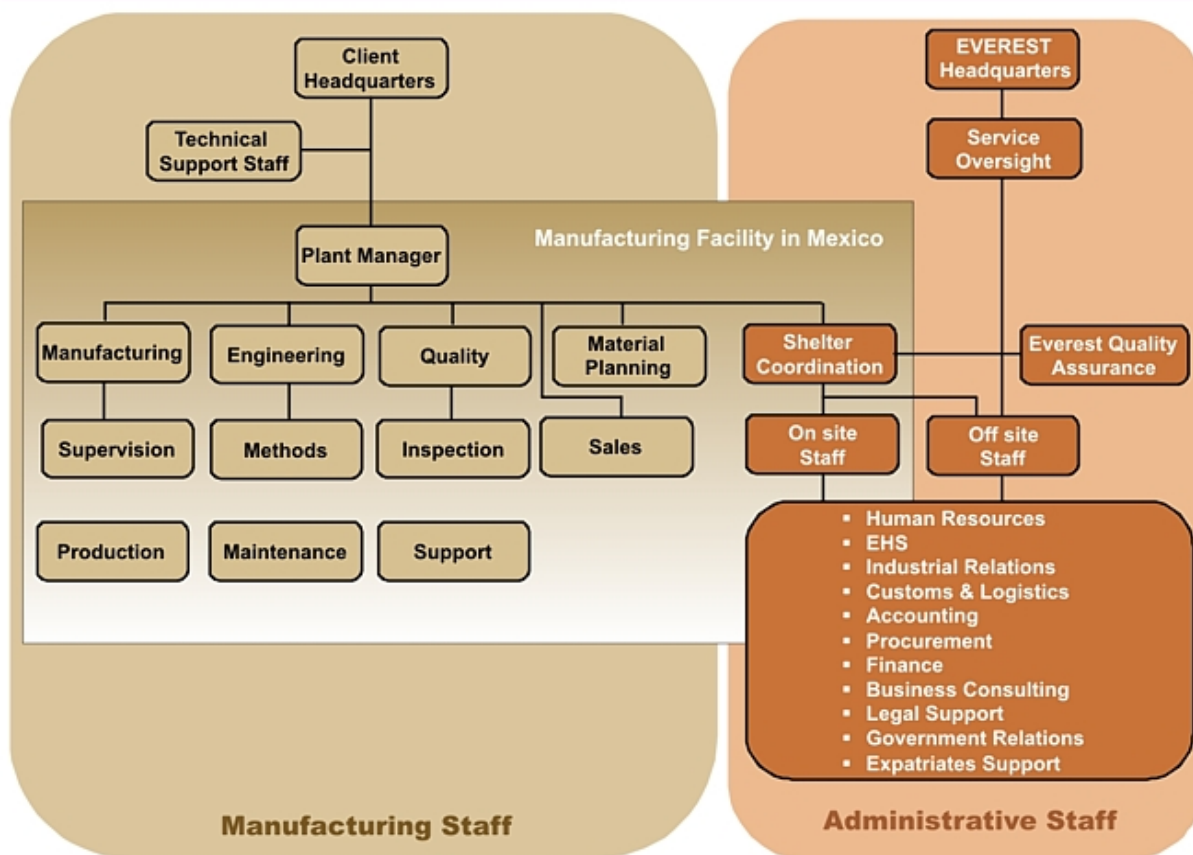

Our Shelter Services simplify your implementation through the use of a pre-established company in Mexico (SHELTER) that has all the means in terms of Manpower, Administrative support, Facilities to support your immediate implementation relieving you from a significant part of the complexity of a startup.

Everest Shelter Services allow you to run the Operations while the Administrative burden is handled by us. You benefit from our expertise on Mexico related matters while you focus on CORE activities.

Each party contributes its best capabilities in a seamless operation, achieving rapidly the expected efficiency in terms of scope, quality and cost.
